STUDENTS SATISFACTION SURVEY REPORT (2018-2019)

Abhilashi College of Education, an institute of academic excellence and achievement, was established in 2003. Abhilashi College of Education aims to impart an all-round education so that the students may become multi dimensional. Abhilashi College of Education believes in providing a knowledge rich environment. The College aims to evaluate the students on the basis of their physical, mental, social, emotional and intellectual development. In the year 2017 the college is accredited with "A" grade by National Assessment and Accreditation Council for its quality education and best infrastructure. Abhilashi College of Education is the first B.Ed. College in the state in private sector which is Accredited with "A" grade by NAAC. Abhilashi College of Education takes pride in upgrading its quality and eminence through constant feedbacks/surveys. Students Satisfaction Survey (SSS) is one amongst these surveys that benefits in updating the superiority of our academic excellence.

Utility of the Students Satisfaction Survey (SSS):

Student satisfaction influences not only how much a student enjoys their time at College, but also how well they do. Their grades, course participation, relationships with teachers, attendance and employability once they leave are all, to a certain extent, reliant on how much they enjoyed their time at college and how engaged they were. As such, not only is student satisfaction vital for promoting life at the institution, but it can also yield an important impact on a college's standing in a ranking system.

Methodology:

The Students Satisfaction Survey (SSS) comprises of the questionnaire endorsed by the NAAC. To assess the outcomes of the college, student satisfaction survey was conducted on different components given in the proforma. A 5-point rating scale was used for assessing the feedback. There were total 16 components in the proforma. The survey was based on the

responses given by B.Ed. outgoing students on a scale ranging from 1 to 5, where 1 stands for poor, 2 for Fair, 3 for Good, 4 for Very good and 5 for Excellent.

Finding from the survey:

The data obtained on Students Satisfaction Survey (SSS) was properly classified and tabulated. It was analyzed and interpreted with the help of mean and standard deviation. The responses were validated by statistical analysis. The results revealed that students are highly satisfied with the academic amenities of the college. They rated the components viz. teaching/ training methodology used by teachers, Pre preparation for theory class by teachers, Timely coverage of course syllabus by teachers, dealing of principal and administrative staff with student and Opportunities for organizing and participating in co-curricular activities as excellent. The survey further revealed that the components of scale viz. academic environment of the college, sufficiency of infrastructure, computer facilities, availability and access of relevant course books in library and opportunities for using the different laboratories is rated as very good by majority of the students. The remaining components i.e. Usefulness of teaching learning material available in college, Fairness in evaluation, Quality of feedback given by teachers, Opportunities for interaction with teachers and Opportunities for intellectual enrichment is also rated as good. The mean score for Overall rating of the college came out to be 4.94 for the session 2018-2019 which means that the Abhilashi College of Education is excellent in providing the quality education and facilities to the students.
