## BEST PRACTICES (2018-2019)

In Addition to the main motto "Vidya Dadaati Vinayam" (Education creates Politeness), the vision of Abhilashi College of Education is appropriately summed up by Swami Vivekanand's quote- " We want the education by which character is formed, strength of mind is increased, the intellect is expanded and by which one can stand on one's own feet." Abhilashi College of Education was established in 2003 and right from that time it endeavored to provide quality teacher education to the prospective teachers. For maintaining a standard in providing quality teacher education, the College is accredited with "A" grade by National Assessment and Accreditation Council.

At Abhilashi College of Education emphasis is given on the all-round development of the students, thereby preparing them to face life after completing the course. Thus, Abhilashi College of Education takes additional responsibility to support the students in making a right start of their career. For fulfilling this objective, a well-scheduled coaching for qualifying the HPTET and CTET along with career counseling is given to all B.Ed. students in fourth semester of their course. Along with the coaching, a quality study material for the mentioned examinations is also provided. The skill oriented teacher-training is provided to the students to assist them in identifying and achieving their own personal potentials.

### **Best Practice -1**

The Placement Cell of college focuses to develop adequate interview skills, leadership and teamwork qualities among the students. Further, to provide a 'Teaching job' to the needy students, College also organizes a well-managed Job fair every year by inviting the reputed schools situated in neighborhood locality.

## Best Practice -2

The founder of Abhilashi Education Society, Late Sh. Tulsi Ram Abhilashi was a great follower of Sant Nirankari Mission that works for the cause of humanity and spread of moral values. The Sant Nirankari Mission has distinguished itself as a leading blood donating voluntary organization in the country. Following their footsteps, Abhilashi College of Education also organizes blood donation camps. Blood is the most precious gift that anyone can give to another person. It is a true gift of life. A decision to donate blood can save a life, or even several. Abhilashi College of Education has collaboration with Red Cross Society of district Mandi (H.P.) and always took part in blood donation. Also, college motivates students as well as the other people for blood donation by organizing awareness rallies, nukkad natak, campaigns etc.
